Carey Nieuwhof is a best-selling leadership author, speaker, podcaster, former attorney, and church planter. He hosts one of today's most influential leadership podcasts, and his online content is accessed by leaders over 1.5 million times a month. He speaks to leaders around the world about leadership, change, and personal growth.

I found this short podcast (24 minutes) from Carey Nieuwhof to be good food for thought. The trends Nieuwhof talks about concern Gen Z, evangelism, church planting, the "non-derivative church" and the mental health of pastors. Check it out at this link. RP
