SKILL BUILDER:

The Skill Builder will be a panel discussion on "Leading Your Church Out of the Church Bubble and Into the Community."

When churches talk about missions, they're often focused on international work which is certainly important. But what about missions in our own backyards? Why aren't we more mobilized for our local mission fields?

In this panel discussion we'll address how churches can engage their communities, barriers to that engagement and how to overcome them, and define what it means to be effective in the local mission field.

The panel of pastors will be Brad Mills, Central BC, Luling; John Minton, Everyday Christian Fellowship, Cibolo; and Chris Smith, Fellowship Church, Kyle. They each have something unique to contribute to this discussion.

Livestream of the Skill Builder Session will be on Facebook around 12:15 pm
